

# THE TABLES HAVE TURNED:

## PERSONAL FINANCIAL PLANNING PROGRAM REVERSE NETWORKING MIXER

On **December 4th from 3:30 to 5 pm**, select PFP students will break the mold of the traditional networking mixer.

### Will your star candidate be there?

Traditional networking events produce similar outcomes for both employers and students; time spent with minimal results. If you walked away with one or two resumes from potential candidates, that's a good day right?

How about **20+ exceptional candidates**? In one location. Trained, ready and excited to be your new intern or employee.

This is return-on-investment on a totally new level. We are excited to invite you to the Muma College of Business's first reverse-networking mixer - where you visit the students at their tables, not the other way around.

### RECOMMENDATIONS

- ✓ Bring business cards, internship or job descriptions, and any other materials.
- ✓ Be familiar with the positions you are offering.
- ✓ Know if your organization has hosted previous interns and if any of those interns have received a job offer.
- ✓ Have your calendar available to schedule interviews with students during the mixer.
